## Who Is Letstar?

Letstar is a Kenyan Incorporated company and locally owned.

Our main activities are; manufacturers and suppliers of stone cut machines and related aggregates, civil engineering contractors, road construction contractors, civil excavation works and excavation works,

We are fully equipped with all the necessary infrastructure for quarry mining and our stone cutting machines have a capacity of 10,000 stones in a day per machine.

Our area of expertise includes but not limited to building technology, civil and structural engineering.

We pride ourselves in playing a very vital role in the construction industry over the past 10 years and this has earned a distinct place in terms of quality and timely service.

We work closely with our clients to accurately interpret their dreams/visions in drawings and bring them to the desired reality through construction solutions to meet their Needs.

**In addition, we, we liaise with other firms under sub contractual terms, especially in provision and distributing of electricity supply services.**

# We Believe in and Promote Quality Delivery

## Our Vision

A regional market leader in provision of civil engineering and building construction services

## Our Mission

We aim to be a world class engineering Construction Company providing efficient affordable, sustainable, cost effective services of highest level of quality.

## Our Values

We believe in maintaining the highest standard of professionalism, loyalty, integrity, creativity, positive attitude, delivery that meets and surpass expectations while offering prompt and lasting solutions that stand the test of time.

## Quarry Mining Services

Letstar is equipped with hydraulic excavators, dumpers, wheel loaders and trucks to aid in mining of Machine Cut Stones, boulders, murram, ballast, hard core and other related materials. Whenever the need arises, the company ensures a generator for supporting the power requirements on site is available and a tower crane to handle bulk construction activities.

In future we plan to install a weigh bridge at the quarry to assure that our customers are getting the exact quantity for what they pay for.

## Quarry Mining Services

## Civil Engineering Structures

Letstar offers a wide range of civil and structural engineering construction ranging from steel structures erections, reinforced concrete structures

## Roads Construction

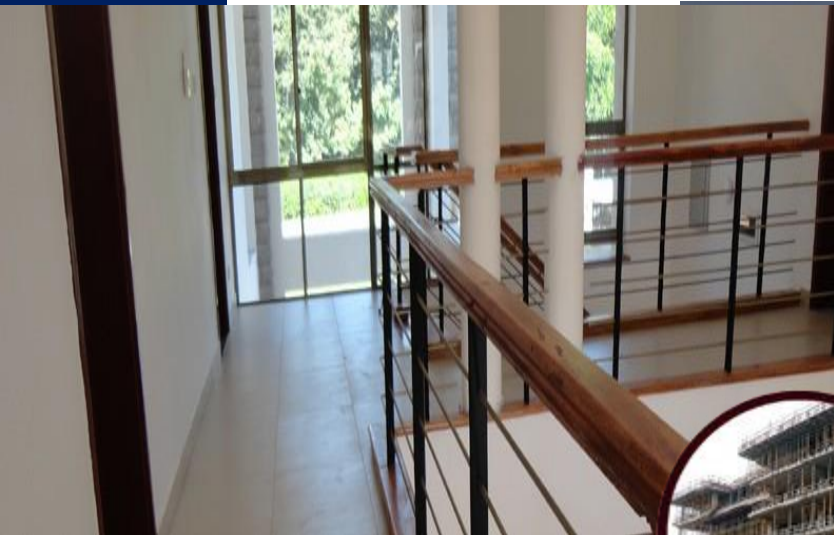

Letstar offers a wide range of road constructions in gravel, paving blocks, concrete, bitumen roads and associated drainage structures.

## Earthworks

Letstar provides earthworks, excavations, compacting and services, whether in preparation for our own construction projects or as a single service provision to clients.

## Building Construction

We also pride ourselves of vast experience in the building industry where we have constructed both high-rise and low-rise residential buildings, commercial buildings and also institutional buildings.

## Construction Project Management

Letstar also offers a wide range of project management services which include but not limited to construction project planning & management, contract management, construction project supervisions and site inspections.

## Design and Drafting Services

Letstar produces layout designs and as-built diagrams for clients for a variety of construction projects, from floor-design drafting to road construction.

## Electricity distribution Construction Services

Letstar has also been subcontracted for the construction of the distribution system for electricity supply services that involves installation, replacement and recovery of transformers

## Our Capacity

consists of top of the  
range equipment and  
machinery, including  
Earth movers and  
Transport Equipment

11<sup>TH</sup> JUNE 2019,

## TO WHOM IT MAY CONCERN

Letstar management Limited has been the sub contractor on the improvement to bituminous standards and performance based routine of HUHI-KARII-MUTHIGIRIRI-KAYUYU ROAD. They have completed earthworks and culvert works in orderly timely meeting the critical deadline dates. They have been cooperative and have shown complete flexibility in order to ensure quality work.

I would certainly recommend Letstar Management Limited for any future work.

Yours faithfully,

**SAMUEL KAMAU**

10<sup>th</sup> DECEMBER 2019,

**TO WHOM IT MAY CONCERN**

It has been our pleasure working with LETSTAR MANAGEMENT LTD on several projects of the past few years. We have had positive dealing with them during the tenure of proposed upgrading of WATAALAM BYPASS ROAD & BUS PARK ACCESS Road and improvement of storm water drainage at RUIRU MUNICIPALITY.

They have repeatedly shown only professionalism, honesty and loyalty in all our dealings with them. They are quick to resolve any issues that may arise during a project.

Without any hesitation I may recommend LETSTAR management for any project.

If you would like to further discuss this please feel free to contact us.

Yours faithfully,

SAMUEL CHEP

5<sup>TH</sup> FEBRUARY 2019,

**TO WHOM IT MAY CONCERN**

Investax Capital has had a great experience working with Letstar Management Ltd, they have worked successfully on our project and finished on time. They are trustworthy, reliable and very knowledgeable in their field of work. We look forward to working with them.

Yours very truly,

**SOLOMON MAINA**
